Mission & Vision

The mission of Kalpulli Ehecacatl is to offer a safe and inclusive space, where each member is essential to strengthen our community and teach traditions to future generations through dance, music and culture.

Kalpulli Ehecacatl's vision is to preserve the traditions of indigenous cultures from Mexico and create positive and healthy change in the community.

Our Name

"Kalpulli Ehecacatl" is a name rich in meaning, derived from Nahuatl concepts. Our name combines "Kalpulli" which can be translated as a learning community or a place of ceremonial gathering, with "Ehecacatl" meaning serpent of the wind.

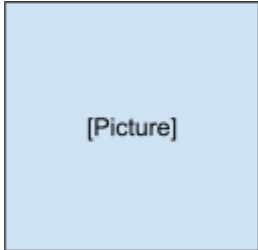

"Ehecatl" (wind) represents our first breath at birth and symbolizes abundance, as the wind is the force that brings life-giving rain clouds.

Coatl (serpent) represents movement, transformation, and knowledge.
